Follow-Up to 54th Annual Meeting and Opening Worship Link

Greetings! Our first "virtual" Annual Meeting of the Southeast Conference, United Church of Christ is now adjourned!

Thank you to our 139 delegates from 28 churches - and our many visitors who observed through our YouTube channel!

We had a few technical glitches, but I greatly appreciate everyone's patience and graciousness. One of the hiccups was with our Opening Worship that celebrates the Annual Meeting themes of Connection and Reconciliation. However, it is now posted on the Southeast Conference YouTube channel. You may also watch a replay of the Annual Meeting itself. Both are located at www.secucc.org/youtube

There will be more comments about the Annual Meeting in the upcoming *Conference Connection* E-newsletter, but we would like to encourage you to enjoy the Worship Service. (Worship includes Holy Communion, so have your elements ready when you watch.)

Blessings,

Rev. Char Burch
Transitional Conference Minister
